Cape San Juan Fire Hall

**A Cape farewell to
Jim and Carol Hooper**

**Bring an appetizer to share and
bring whatever you want to
drink! We will have plates,
cups, napkins, etc.**

After 18 years of Cape ownership, the Hoopers are moving to Franklin, Tennessee. Tennessee is the **Volunteer** state which is perfect, as both Jim and Carol spent their many years here at the Cape volunteering and will now be doing the same in their new neighborhood.

Jim has been Cape President twice ... six years! Do you like your fiber internet? Thank Jim. He personally shepherded this project! He was also instrumental in getting the new road to the Cape.

Carol (and Sylvia Lyman) performed piano recitals for Capers for many years. She also helped out with our potlucks and, with her extensive background in the theatre, directed a murder mystery for the Cape.
